¹Interest accrues daily at the funds rate as described in your SoFi Bank Deposit Account Agreement (the “Customer Agreement”) and is paid on the last day of the Statement Period. The Annual Percentage Yield Earned, as shown on your statement, may reflect account adjustments from previous statement periods.

²Interest accrues at the same rate on all funds in your SoFi savings accounts, including funds allocated to SoFi Vaults. References to “interest” in connection with any SoFi Vault reflect the portion of the interest earned on your SoFi savings account in the preceding month which is allocated to the applicable SoFi Vault. The amount of interest allocated to each SoFi Vault is equal to the proportion of the balance in each SoFi Vault bears to your total SoFi savings account balance.

Important Information

SoFi Insured Deposit Program

For participants in the SoFi Insured Deposit Program (the "Program"), if the total cash balances in your Checking and Savings accounts exceed \$250,000 or, in the case of a joint account, \$500,000 (each, the "Standard Maximum Deposit Insurance Amount"), and if you have not designated payable on death ("POD") beneficiaries to your Checking and Savings accounts, then SoFi Bank deposits any cash balances above the respective Standard Maximum Deposit Insurance Amount, up to \$2 million (including cash balances retained at SoFi Bank), into deposit accounts at multiple receiving banks, as set forth in the Program Terms and Conditions, which can be found at <https://www.sofi.com/banking/fdic/terms/>. If you have designated POD beneficiaries to your Checking and Savings accounts, the deposits in your accounts will be insured up to \$250,000 for each unique primary beneficiary or, in the case of a joint account, up to \$500,000 for each unique primary beneficiary. If you participate in the Program, SoFi Bank determines the total FDIC insurance coverage for your accounts by multiplying \$250,000 by the number of primary beneficiaries designated for your account or, in the case of a joint account, multiplying \$500,000 by the number of primary beneficiaries designated for your account, and places all of your cash balances that exceed such total into the Program, up to \$2 million (including cash balances retained at SoFi Bank). If you have only designated secondary beneficiaries to your Checking and Savings accounts (i.e., you have no primary beneficiaries designated), then SoFi Bank treats your secondary beneficiaries like primary beneficiaries for purposes of calculating FDIC insurance coverage and determining the amount of your cash balances that are placed into the Program.

How to Contact Us

You may call us using the phone number on the front of this statement.

Deposit Agreement

When you opened your account, you received the SoFi Bank Deposit Account Agreement (the "Customer Agreement"), which discussed the terms and conditions governing your account, as well as a fee schedule, a rate sheet and, if applicable, a debit card agreement. You agreed that your account would be governed by these documents as amended from time to time, as well as any other documents provided to you at account opening or subsequently. Copies of the Customer Agreement, the Fee Sheet and Rate Sheet are available through the SoFi website www.sofi.com or mobile app.

Important Information

SoFi Insured Deposit Program

For participants in the SoFi Insured Deposit Program (the "Program"), if the total cash balances in your Checking and Savings accounts exceed \$250,000 or, in the case of a joint account, \$500,000 (each, the "Standard Maximum Deposit Insurance Amount"), and if you have not designated payable on death ("POD") beneficiaries to your Checking and Savings accounts, then SoFi Bank deposits any cash balances above the respective Standard Maximum Deposit Insurance Amount, up to \$2 million (including cash balances retained at SoFi Bank), into deposit accounts at multiple receiving banks, as set forth in the Program Terms and Conditions, which can be found at <https://www.sofi.com/banking/fdic/terms/>. If you have designated POD beneficiaries to your Checking and Savings accounts, the deposits in your accounts will be insured up to \$250,000 for each unique primary beneficiary or, in the case of a joint account, up to \$500,000 for each unique primary beneficiary. If you participate in the Program, SoFi Bank determines the total FDIC insurance coverage for your accounts by multiplying \$250,000 by the number of primary beneficiaries designated for your account or, in the case of a joint account, multiplying \$500,000 by the number of primary beneficiaries designated for your account, and places all of your cash balances that exceed such total into the Program, up to \$2 million (including cash balances retained at SoFi Bank). If you have only designated secondary beneficiaries to your Checking and Savings accounts (i.e., you have no primary beneficiaries designated), then SoFi Bank treats your secondary beneficiaries like primary beneficiaries for purposes of calculating FDIC insurance coverage and determining the amount of your cash balances that are placed into the Program.
